Dear Child Care Provider,

This letter is in regards to the October 30, 2013 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.

☐ **110.5(2) A provider file is maintained and contains:**

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years.

☐ 110.5(2)b Certificates or training verification documentation for:

☐ 110.5(2)b Within the first three months of registration:

☐ 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.)

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ **110.5(2)d An individual file is maintained for each substitute and contains:**

☐ 110.5(2)d A completed DHS Criminal History Record Check, form B, 595-1396.

☐ 110.5(2)d A completed Request for Child Abuse Information, form 470-0643

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.

☐ 110.5(2)d Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ **110.5(8) Children's Files**

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes.

Example of file policy:

An example for policy handbook: Department of Iowa Policy states that before the first day of care the parent must complete an intake form and signed medical consent for each child attending. Within 30 days the parent must provide a physical signed by a physician and an updated immunization. Regardless of when children started attending (daycare name), every year by August 1 the parents must provide an updated physical and immunization to provider. Children who do not return the requested paperwork by due dates will not be able to attend (daycare name) until paperwork is returned. Failure to complete paperwork could result in losing a slot at (daycare name).

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.

☐ **110.5(10) Substitutes**

☐ 110.5(10)a All standards regarding supervision and care of children apply to substitutes.

☐ 110.5(10)b Except in emergency situations, the provider must inform parents in advance of the planned use of a substitute.

☐ 110.5(10)c The substitute must be 18 years of age or older.

☐ 110.5(10)d Use of a substitute is limited to: No more than 25 hours per month. An additional period of up to two weeks in a 12-month period.

☐ 110.5(10)e The provider maintains a written record of the number of hours substitute care is provided, including the date and the name of the substitute.

☐ **110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME**

CATEGORY "B" *The provider was not over numbers at the time of the compliance check. This is a refresher of how many children the provider can care for as a Cat. B home.*

☐ 110.9(1)a Not more than six preschool children present at any one time including infants.

☐ 110.9(1)b Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

☐ 110.9(1)b Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

☐ 110.9(1)c Not more than four additional school-age children.

☐ 110.9(1)d Not more than two children who are receiving care on a part-time basis at any one time.

☐ 110.9(1)e Not more than 12 children present when the emergency school closing exception is in effect.

☐ 110.9(1)f When more than 8 children are present for more than two hours, a DHS-approved assistant at least 14 years old is present.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**
